**Permanon Yacht Supershine for ADM Swift 141**

Dear Marcus,

Thank you for sending us samples of the Permanon Yacht Supershine products to try out and test on the **ALEXSEAL<sup>®</sup> Premium Topcoat 501** for ADM Swift 141.

We can confirm that based on the information we have received from you the products that you supplied will have no negative effect on the topcoat and therefore would not effect the ALEXSEAL<sup>®</sup> product warranty.

Other than that we will carry out long term performance test with artificial weathery.

Best regards  
Mankiewicz Gebr. & Co.  
(GmbH & Co. KG)
